

New Freedom Project

March Newsletter

Good Morning,

We're working hard every day to create generational change and strengthen communities by providing critical resources to individuals post incarceration.

Here is a quick snapshot of what NFP has been up to recently and how you can help.

Our 1st Annual Miracle Breakfast. Thank You!

New Freedom Project's First Annual Miracle Breakfast was a complete success! We are incredibly grateful to our Community Partners and donors for their generous contributions and unwavering support. Your kindness and dedication are making a real difference in the lives of those we serve—helping this often-forgotten population take meaningful steps toward successful reentry into society. Together, we are creating hope and new beginnings!

Special thanks to our event sponsors, especially Orcutt Winslow, Milligan Lawless and Sysco.

If you were not able to attend, please make sure to watch the video at the bottom of the newsletter.

NFP Gives Back

New Freedom Project has adopted the street in front of our building on Peoria Avenue!

This initiative is all about giving back to the community that has given us so much. Seeing our members come together with enthusiasm and pride to keep our neighborhood clean is truly inspiring.

Together, we're making a difference—one street at a time!

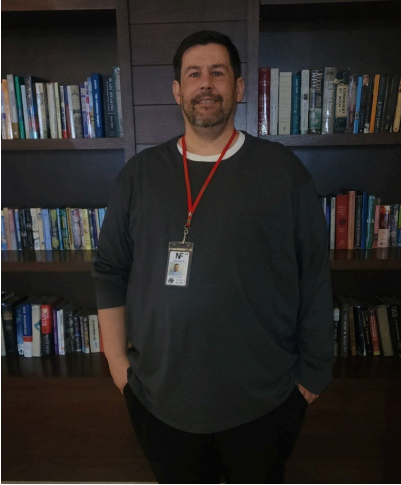

New Freedom's Ladies Facility: A Space to Thrive

The women of New Freedom now have a facility of their own! This dedicated space allows these incredible ladies to receive the same life-changing programming in an environment designed just for them. Hearing how much they appreciate and love having their own facility is truly inspiring. It's more than just a building, it's a place of growth, healing, and empowerment. This new space is another step towards stronger futures and lasting change!

The Voice of a Member

"Overwhelming Joy and Gratitude"

"Hello, this is my third time reintegrating into society from being justice impacted. This is also the first and only time in my life that I have looked forward to my future with optimism and hope. That is because of the amazing opportunities and fundamental tools that New Freedom Project is equipping me with to set me up for success moving forward in my life. All that is possible because of all the amazing donors that make all of what New Freedom Project does possible. For all the contributions that all the donors make I am filled with an overwhelming sense of gratitude."

Make Your Impact

BEFORE YOU DO YOUR TAXES.....

MAKE YOUR QCO DONATION AND GET IT ALL BACK ON YOUR TAX RETURN

By making a donation to NFP, you can take advantage of the QCO Arizona Tax Credit Program. This means you will receive a dollar-for-dollar credit on your personal state taxes when you make a gift up to \$470 for single tax filers, or \$938 for married couples filing jointly. No donation amount is too small to qualify for the tax credit, even if it is less than the allowed maximums.

If you have not already done your taxes, you can give before April 15th and receive the credit on your 2024 tax return.
